HI
I'AM SHEPTIAN BAGJA UTAMA

I am someone who enjoys programming. I buy courses and eBooks from various sources, one of them being Udemy, though I usually learn for free from YouTube. I'm always eager to learn new things. Currently, I've been working at PT. Nextvibes Mitra Global for the past 5 years as a Full Stack Developer, and I'm looking for a full-time position as a Software Developer.

WORK EXPERIENCE
